Sub13 Andante Subscription
It must be requested at the educational establishment and is valid throughout the AMP (Andante network). Children under 13 who already have a 3Z or Municipal subscription must upgrade to the Sub13 subscription, going to an Andante store, CP ticket office with Andante sales, Andante stations installed in Municipalities or Vending Machines at metro and metro stations. CP.

Andante 3Z Porto. Subscription (Updated on 02-07-2021 18:06)
Subscription for young people from 13 to 18 years old residing in the city of Porto.
The Andante 3Z Porto. is a free subscription offered by the Municipality to young people with tax domicile in Porto and students aged between 13 and 18 who can prove they are studying and residing in the city.
It allows the use of public transport integrated in the Andante network, within a limit of 3 contiguous zones (it is mandatory that at least one of them be in Porto, municipality of residence, that is, one of the zones must be PRT1, PRT2 or PRT3), through validation on all trips.
